## **ADDENDUM 001**

### **REQUEST FOR QUOTATION (RFQ) NUMBER: NE14-58Q-R2**

June 5, 2014

1. Due to the tight delivery and invoicing deadline required for this purchase, because of our approaching fiscal year end, this addendum has been issued to “cast a wider net” in an attempt to find an unit that would be available in the timeline needed. **We require delivery and invoicing no later than June 19<sup>th</sup>**, as we are unable to roll these funds over and make such a purchase in our new fiscal year.
2. **This RFQ has been reposted** to include the acceptance of quotations for both new and used units and to further detail other requested options not listed in the original posting.
3. Access and submit your response using the updated RFQ version which has been posted on our website. **Responses may be faxed to (573)-526-3169.** If you have already submitted a response, please resubmit it using the corrected and reposted version. We will be unable to accept quotes, which will not meet our delivery and invoicing deadline.
4. **The response deadline has been extended to no later than 1:00 PM on Monday, June, 9, 2014.** All other requirements and details of the RFQ remain unchanged.
